

Kestrel Kitchen Limited Warranty

This limited warranty covers Kestrel blenders, mixers, toasters and kettles bought new from Kestrel Kitchen or an authorized retailer. It gives the original owner specific legal rights, and they may also have other rights that vary from state to state.

What is covered in the first year: any defect in materials or workmanship. We will repair or replace the unit at no cost, including shipping both ways.

Years two through five: the motor base only. If the motor fails under normal household use, we replace the motor base. Jars, lids, blades, gaskets and other wear parts are not covered after the first year. The customer pays shipping to us; we pay shipping back.

What is never covered: commercial use, damage from dropping or misuse, units bought from unauthorized sellers, and cosmetic wear.

How to make a claim: the customer needs proof of purchase and the serial number from the bottom of the motor base. Agents open a warranty claim in the order system and attach both. Replacement units ship within 3 business days of an approved claim.

Kestrel Kitchen, 1200 Harbor Way, Portland OR. Warranty document KK-W-2023.
